

The school for the year 2025, this occasion is not only a celebration of challenge and achievement but also an opportunity to reflect on our collective journey over the past year, our progress, our challenges and our continued commitment to holistic education. The academic year has been marked by sustained efforts, resilience and consistent performance. Our students have demonstrated commendable progress across classes supported by structured academic planning, regular assessments and focused mentoring. The medial support programs, enrichment classes and targeted interventions were implemented to address diverse learning needs, ensuring that every learner receives the guidance and coverage to his or her base and potential, due to which the internal assessments reflect steady improvement. The results and the board examination have been noteworthy, with several students achieving distinction and high proficiency across subjects. I would like to inform you that the results in both classes 10 and 12 was 100%. In class 10, Master Rishik Tiwari was the school top dog with 98% marks, followed by Aarav Yadav with 97.6% marks, Ayan Singh with 95.8% marks. A total of 14 students got 90% marks and a high. In class 12, Simran Bharadwaj was the school topper with 97.25% marks, Shreya Narula with 94.5% marks and AaroHi Vijaywargi with 93.75% marks. A total of 10 students in class 12 got marks above 90%. Our four class toppers Rishik Tiwari, AaroHi Vijaywargi, Ayan Singh Gupta, Simran Bharadwaj, accompanied by our exam coordinator, Nity Leela, were conferred the Perna Achiever Award by the Rashtriya Shiksha Sansthan Sangathan. Alongside the Catholics, the school continued to place strong emphasis on more contributor activities and sports education. Students actively participated in inter-school competitions, cultural forums, debates, quizzes and volunteers, bringing Lawrence to the institution. These platforms not only enhanced talent but also fostered teamwork, leadership and confidence, values that extend far beyond the classroom. In the Science of Upgrade Foundation Olympia, set during the year, 90 students got Gold Medals of Excellence, 16 in the Hip Olympia, 16 in Science Olympia, 23 in the English Olympia, 31 in the Maths Olympia, 1 in the Computer Olympia, 2 in Social Science Olympia and 1 in Hindi Olympia. Additionally, one student got the Gold Medal of Distinction in the International Mathematics Olympia and one student got a Symbol in the Zoological Level in the International Computer Olympia. In the India Talent Olympiads held during the year, two students got medals of excellence in the International Dwayne Competition while one got State Topper Medal in the International Dwayne Olympiad. In the Silver Zone Olympiads, our students got a total of 19 Medals of Excellence, two in IIO, four in STEM and thirty in the International Talent Hunt Olympiad. In a program, Bharat Ko Jaano, organized by Bharat Vikas Parishad to promote right for Indian culture and heritage among school students, four of our students, that is two each in senior and junior category, received awards for their performance. Additionally, Myra Godwal of class 8 secured Second position in the prestigious CBSE National Level Painting Competition on the theme Bhavya Mahakumbh and was awarded prize money of Rs. 10,000. Shanaya Arora of class 10 was selected for the Monarch Award with a prize money of Rs. 10,000. In the first ever BRGS TechFest organized by our computer teachers, 14 IT based competitions were held in offline mode, online mode and hybrid mode. There were 99 students from 6 schools that participated in this competition. Students of VRGS got the first position in 2 events, second position in 5 events and 3rd position in 2 events. Our students also did us proud by organizing the second edition of the BRPS MUN 2025 in which 110 delegates from different schools participated. In the student-led meta-event, our students not only showed their acumen for grappling with world matters, but also their skills at planning and organizing such events, paying attention to fine details of budgeting and logistics. Our sports teams displayed commendable discipline and sportsmanship, achieving success at interschool medals. In the Open Roller-Skating Championship held at Chilla Sports Complex, our students got 11 medals in various categories. In the Multi-Sports Tournament held at St. Teresa School, Greater Northern West, in October, our students got 26 medals in athletics, badminton, chess and table tennis. In the second International Multi Sports Competition 2025, Held on, St. Anand Jaipuriya School, Greater Noida West asked us for 23 medals in Chess, Skating and Athletics. We were

also the champions school in the same competition. The school team committed to nurturing well-rounded individuals, life skills education, value-based receptions, counselling support and leadership opportunities through the student council were integral components of our programme. Awareness initiatives focussing on emotional well-being, digital responsibility and social sensitivity were conducted to support the student's overall growth. These included awareness programs and workshops and internships, prominent among them being Scientific Study Techniques for Classes 9-12 conducted by Agility IIT, AI Private Limited, Career Counselling Sessions for Class 10 students and 11 students, Summer Internship Program for Class 11 and 12 students organized by the Fortis Hospital, Neuilly. Keeping in mind the requirement of class 12 students to be prepared for CUET, the school management initiated a partnership with HIT Bullseye for providing resources and training to adapt effectively to the CUET design pattern. Quality education can be delivered only if there is continuous professional development of the faculty. Throughout the year, faculty members engaged in professional development programs, CBSE mandated trainings and in-house workshops to strengthen pedagogical practices and assessment strategies. In addition to attending training at external school homes, our staff members got ample coverage of fees to attend workshops in the school as Bharat Ram Arun School was also the venue for two CBSE capacity building programs this year, as well as a full-day workshop conducted by Inspired Valley. It is gratifying to know that our teachers' contribution to their field of work has been recognized at various platforms. In the current year, five of our teachers were restored with honors. Ms. Deeksha Kapoor, T.G.T. Social Science was awarded by Bhartiya Vikas Parishad. Ms. Tanuka Gupta, Senior coordinator, was conferred the Teacher of Excellence Award by EduGuard Group of Publishers. Ms. Amar Ganga, P.G.T. Biology, Ms. Shalini Mittal, T.G.T. English, and Ms. Shruti Snehi, P.G.T. Political Science, One felicitated in a ceremony organized by the Danik Jagran, the Guru Pranam Educational Brilliance has a duty to excellence in teaching. Recession also witnessed focused efforts towards strengthening infrastructure, upgrading computer labs, and streamlining academic and administrative processes. Safety protocols, student support systems, and parent communication mechanisms were further reinforced. The solar panel installed last year was commissioned this year. The work related to developing this very area into a auditorium is in process. I would hugely thank our honourable Chairman Sir Mr. Vinod Singh, Member of Legislative Assembly, Governor Mr Vinod Singh and our Vice Chairman Sir Mr. Pulkit Singh for their guidance and unstimulating support. Their utmost concern for the school development instils greater sense of purpose in all our efforts. I would like to express my profound gratitude to the parents for their faith in us. We feel the value of our partnership with them, especially as regular interactions, orientation and collaborative initiatives have helped create a supportive environment which is conducive to student success. Their trust and their cooperation continue to inspire us to raise our standards. I extend my sincere gratitude to all our staff members, the gathering and administrators for their tireless efforts the whole year through. They have been instrumental in shaping the success of all that we have planned and envisioned. My gratitude also to the support staff for their hard work always. Lastly, and most importantly, I would like to express my immense appreciation of our students whose enthusiasm and perseverance gives true meaning to our efforts. As we all know, We affirm our commitment to nurturing confident, responsible and compassionate individuals equipped to meet the challenges of a dynamic world. Let us continue this journey together with purpose, integrity and excellence. Thank you so much.
